## Masterdry

**Comfort, performance and freedom of movement.**

Warmth, fit and comfort are guaranteed with the Extraflex neoprene for the outer lining, the new Thermal Fiber plush for the inner lining and a Titex Master Scuba Seal hinge: all, for a truly unique experience. Embossed Supratex protects the knees, while seat and shoulders are reinforced with Supratex. The back along the spinal cord has a PAD Protection and a roomy 3D zippered pocket on the leg to make this suit especially suitable for heavy duty use.
