## Import Distribution

Denmark – Finland – Norway - Sweden

2020/21

## AquaFun AB since 2012

AquaFun would be proud to be your preferred supplier of equipment for use in and around water. We cover a very big part of the products requested by the diving and sports industry, because we focus on dive, snorkel and light equipment.

A strong lineup of selected products from some of the best and most quality oriented suppliers worldwide represents more than 2000 different articles in stock in our warehouse in Malmö. This means we can deliver from day to day and provide options for express and reservation orders.

AquaFun AB only distributes to agreed registered B2B partners.

***Customer satisfaction  
through communication  
and prompt accurate deliveries***

Two removable end shoulders. For variety of dive gear and accessories. Accommodates both Yoke and Din regulators.

O-ring kit - AO-01  
12 O-Rings included. Ideal mini size box for O-Ring storage. Contents of O-Rings: AS-010: 2 qty (70 durometer). AS-011: 2 qty (70 durometer). AS-014: 4 qty (90 durometer). AS-111: 2 qty (90 durometer). AS-214: 2 qty (90 durometer).

**LIBRO - TKPZ0102AC369TDS NEW**  
Blackboard book with 40 water resistant pages and cover in fabric with small pockets. It includes graphite pen. It allows Write in and out of the water. Deco planning.

**Dry Box – AD-05 & AD-06**  
Compact, dry box with lanyard. Perfect for keeping valuables of different sizes dry and protected.

**Writing slate - AW-12 NEW**  
Easily attachable to BCD. Durable ABS material and pencil included. Makes communications between buddies easier. 12.5 cm width x 15.0 cm length .

**SLATE - SBPIZWS3 NEW**  
Practical whiteboard that allows you to communicate with a buddy. It incorporates carabiner and a quick-release clip to release and hook it again quickly. Pencil Graphite with holding cord.

**CARABINE DOUBLE - TKAR9999S1 NEW**  
Stainless steel double trigger carabiner, Available in several sizes.

**Writing slate Fluo - AW-17 NEW**  
Easily attachable to BCD. Durable ABS material and pencil included. Makes communications between buddies easier. Glow-in-the-dark: 12.5 cm width x 15.0 cm length.

**CARABINE - TKAR9999S2 NEW**  
Stainless steel trigger carabiner, in different measurements.

SPOOL BLACK 45M -  
TKCR0101SP02M5RSTDS **NEW**  
Small and low profile, this spool fits perfectly in a side pocket or hung in a ring D. Includes steel carabiner. Thread Naramja very resistant.

SPOOL BLACK 30M -  
TKCR0101SP02MRSTDS **NEW**  
Small and low profile, this spool fits perfectly in a side pocket or hung in a ring D. Includes steel carabiner. Thread Naramja very resistant.

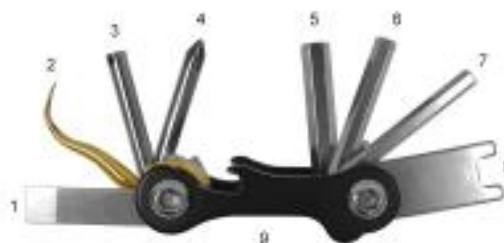

Reef Hook with line - AR-41 **NEW**  
Effortless securing yourself to the reef. Easily attachable to BCD with swivel bolt snap. Create a hands-free experience for photographers. Nylon 1.3 m line. 13 cm reef hook. 9 cm swivel bolt snap made out of 304 stainless steel.

Finger Reel Plastic 45 m. w/bolt snap -  
AR-06P-KY-B **NEW**  
4" double end SS bolt snap included. Perfect for launching markings and lifting devices. Effortless ascents, safety and decompression stops

Finger Reel Stainless steel 45 m w/bolt snap -  
AR-06S-Y-B **NEW**  
4" double end SS bolt snap included. Perfect for launching markings and lifting devices. Effortless ascents, safety and decompression stops

Multi tool - 7407K

1. Orifice adjustment flat screwdriver: Stainless steel. 2. O-Ring pick: Brass. 3. Inflator schrader valve tool: Stainless steel. 4. Phillips screwdriver: Stainless steel. 5. 1/4" Hex wrench: Stainless steel. 6. 3/16" Hex wrench: Stainless steel. 7. 5/32" Hex wrench: Stainless steel. 8. Valve nut slotted screwdriver: Stainless steel. 9. Housing: Chrome vanadium steel.

Lanyard - AL-21-K  
 Lanyard for lights, cameras, tools etc.

Knife straps - MAC012

Mouthpiece mould – 1863 **NEW**  
 Mouldable mouthpiece in celar or black silicone.  
 Make your own personal mouthpiece for  
 maximum comfort and fit in your mouth.

Retractor Auto-lock 90 cm. - AR-03A **NEW**  
 Various applicative uses. Easily attachable  
 to BCD and all other dive gears. Auto-lock  
 style with 90 cm Nylon line.

COLLAR black REGULATOR -  
 TKRG9901AC99STDS **NEW**  
 Elastic rubber band for fixing the regulator  
 emergency neck. It facilitates its location and  
 you can even keep the second fixed in your  
 mouth stage in case of emergency.

## Accessories – Mask

Mask box - AAAA-AFA-PM358

Accent frame – PM860  
Easy replaceable frame for Accent mask.

Minus Lens for Optical mask – GLD  
For SeaPro Optical mask

Plus Lens for Optical mask – GLC  
For SeaPro Optical mask

Straps for masks – PM242 & PM391

Quick strap - MS01-QBA  
Complete Quick strap system. Black or clear silicone.

Stretch strap - MS15-AFA  
Stretch strap with non-slip. Included snorkel holder. Adjustable. Ultimate comfort.

Anti-Fog – A30 & A60  
Greater clarity. Keeps masks lenses from fogging. Spray on lenses and lightly rinse with water. 30 or 60 ml.

## Accessories – Neoprene

Anti jelly mask – 63123  
Anti jellyfish mask in soft neoprene of 2 mm, inside open cell and nylon outside.

Bermuda – 63120  
Shorts of 3 mm, neoprene composed by nylon outside and inside, with two velcro pockets.

VEST TFX 2.5 MM - SBPT10PO01 **NEW**  
Thermal vest in elastic neoprene 2.5mm thick, exterior with nylon lining and interior smooth skin for comfort and greater thermal power Man sizes: 2 - 3 - 4 - 5 – 6 Women sizes: 1 - 2 - 3 - 4 – 5 With hood: 2 - 3 - 4 - 5 – 6.

## Accessories – Snorkel

Snorkel holder – 1064  
Rubber snorkel holder.

Snorkel keeper kid - PS525-OA002  
For kid snorkels. Nemo and Junior Dry.

Snorkel keeper - AAAA-QBA-0146BK

## Accessories – Spear fishing

Reel – S409  
 For SeaPro and Tiger spear guns. Supplied with  
 app. 40 meter line on the reel.

Wishbone - 98403

Wishbone – S404

Copper double sleeve – 6050  
 For sling gun line.

Inox cable for fish - 17800

Nylon cable for fish - 17801

Nylon line - 2890

Fish holder CP – MAC011

Fish holder CPII – MAC010

## Bag

### Mesh bag - MB3-K

Ideal for carrying masks, snorkels, and short fins. Shoulder strap and fold-in pouch included. Measurement: 64 cm length x 44 cm width.

### Waterproof pouch – 7114 NEW

Ideal for cameras, binoculars, maps, wallets, etc. Suitable for activities above water surface, not for diving. 7114S (Small) 12,7 x 17,8 cm. 7114M (Medium): 17,8 x 25,3 cm. 7114L (Large): 26,6 x 34,3 cm.

### APNEA LEGEND - SBBLEGGEND120 NEW

Hybrid vest that combines the lightness and simplicity of the recreational jacket with the versatility of the technical diving. You can mount any pocket for your needs. Outer coating in Cordura 1000. 2 D-rings in stainless steel AISI 316. 4 D-rings in resin Delrin. Air capacity: 20 litres. Lift capacity 180 Newtons (18.35 kg). Size: S / M and M / XL. Empty weight only 2 kg.

## Beach shoe

ROCK BLUE – 657 **NEW**

Anatomic neoprene shoes with lace closing cord and TRP anti-slip sole.

OCEAN Black & White

OCEAN black

OCEAN – OB500

Neoprene beach shoes with water vent and solid sole.

ATLANTIC – 695 **NEW**

Anatomic neoprene shoes with lace closing cord and TRP anti-slip sole.

## Boot & sock

### COMFORT – SBESCAC100 **NEW**

Slip-on bootie with non-slip sole, made of neoprene 5mm thick, heel and instep reinforcements. Sizes: from 34 to 48.

### ELITE 3 6MM - SBESCAS12B **NEW**

Zippered bootie and very sturdy non-slip sole. Made of 6mm double lined neoprene. Instep and heel reinforcements. Sizes: from 36 to 48.

### APNEA FLEX - SBESF0CB01 **NEW**

Super flexible double lined neoprene boot, toe cap reinforced and non-slip sole reinforcement. Available in 5mm. Sizes: S - M - L - XL

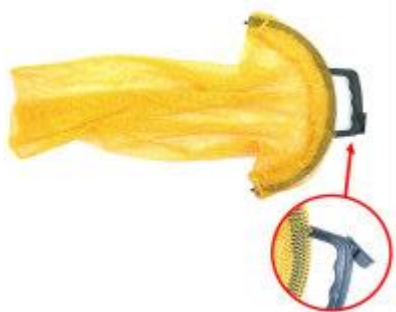

### Bordo socks 3 mm. – 6027 **NEW**

3 mm. nylon inside and outside. Smooth skin outside top of sock. Skid proof re-inforced sole.

# Buoy

Fishing net for shells - 12100  
Collecting bag for fish and shells.

Strong fishing net for shells – 12101  
Strong collecting bag for catch and finding.

Apnea Float – 63135  
Spearfishing support buoy, size 110 cm x 90 cm. Inside tubes covered in nylon material with YKK zip.

Apnea – 62723  
Apnea nylon support buoy 80 cm x 40 cm with inner air-tube.

Nylon torpedo – 50105  
Torpedo buoy in nylon with loose inside air chamber. A strong and durabel buoy. Included 20 meter of rope with safety snap. Included Alpha flag.

PVC Torpedo – 50102  
Torpedo buoy in PVC nylon. Strong and durabel buoy.

Float Buoy – 50100  
Round buoy in PVC nylon. Diameter 38 cm. Included Alpha flag.

Nylon Buoy – 50104  
Round buoy with out part in nylon and inner air tube. Included 20 meter line with safety hook. Included Alpha flag.

**Torpedo – 50106**

Marker buoy included pouch and line.  
Weight in bottom of buoy to make it more stable and upright in the surface.

**Survival Sausage – SB-02 NEW**

Easily inflatable. Eye-catching orange color. Most essential emergency tool while diving. Length: 114 cm. Diameter: 13 cm. Material: 210 Denier Nylon.

**DECO PRO STANDARD – SBYLETDIBODECO NEW**

Buoy deco pro, allows to be located on the surface while decompression is done, it incorporates ballast at the bottom to stay upright, line of 20m and bag with carabiner.

**DECO TEK ADVANCED 140 RED / SLATE - TKBY010134CAO112HID NEW**

With a length 140 cm in red. Border reinforced with reflective. Overpressure valve Jacket swelling system, which is also can use with the mouth .. SOLAS upper band (reflective) and white to write messages to surface.

**Signal Tube - SB-06 NEW**

Pouch included. Over pressure release valve. Easily attachable to BCD with swivel clip at bottom. Material: 210 Denier Nylon. Size: 15 cm x 180 cm (6" x 72"). Can be inflated in three ways: 1. Oral inflation on 2. Inflate with BCD hose 3. Use Duck-bill. The Velcro at the boom can hold the signal tube when it is deflated and rolled

# Fin

## Agility – AFA-FB5

Open heel SCUBA diving fin all black. Size M fits shoe size 40 to 43 and L fits 43 to 48. Complete with quick release fin buckles. Plenty of power even in strong current.

## Momentum – FD3 **NEW**

Professional diving fin with adjustable bungee strap. Momentum is both powerfull and agile. The preshaped blade ensures an optimal position during kicking, while Super Channel blade creates additional thrust. S/M 35-40, M/L - 41-44, L/XL 45-49.

## APNEA BLACK - SBALPSSTEAL **NEW**

Apnea fin is ideal for apnea and underwater fishing. Sizes: 40/41 - 42/43 - 44/45 - 46/47.

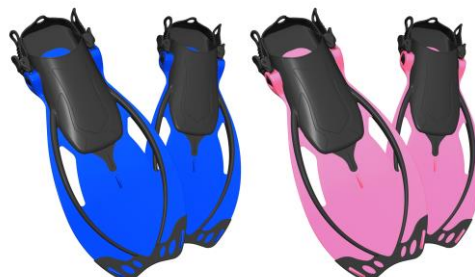

## Lynx Sr. – FA4 **NEW**

Very durable snorkeling fin with adjustable heel strap. Soft foot pocket to be used with bare feet or a thin sock/boot. Size 38-41 & 42-46

## Nemo Open Heel – FA3 and FA6

Snorkeling fin with adjustable heel strap. Soft foot pocket to be used with bare feet or a thin sock/boot.

## Lynx Jr. – FA5 **NEW**

Very durable snorkeling fin with adjustable heel strap. Soft foot pocket to be used with bare feet or a thin sock/boot. Size 27-31 & 32-37

# Glove

**TOP FLEX BLACK - SBGU9ADD NEW**  
Preformed glove in super neoprene flexible 3mm thick, protections in palm of supretex and mini sleeve in Cone shape for better tightness. Sizes: XS - S - M - L - XL.

**AMARA 3 TECH - SBGUSHAMRJ NEW**  
2mm thick neoprene glove, Amara leather palm (water resistant) For a better grip. Velcro closure on wrist. Sizes: XS - S - M - L - XL - 2XL.

**FLEX - SBGU9ADO NEW**  
2mm super flexible neoprene glove thick with inner and outer lining in lycra, reinforcement in non-slip material in the Palm. Sizes: XS - S - M - L - XL.

**THOR - TKVT999999 NEW**  
Made in 3mm. with the palm and fingers reinforced. Very elastic.

# Hood

Hood 3 mm. – 627

Neoprene hood of 3 mm, inside in plush and outside in nylon black.

Cappuccio Supreme 3 mm – 6921 **NEW**

Neoprene hood in 3 mm. Plush inside and black nylon outside. Face seal.

HOOD FLEX - SBCHG0EC03 **NEW**

5mm ultra-elastic neoprene, waterproof seal in neck and facial. Double layer perforated in the part upper to allow air to escape.

Cappuccio Supreme 5 mm – 6923 **NEW**

Neoprene hood in 3 mm. Plush inside and black nylon outside. Face seal.

# Instrument

Compass - BU0140

Compass for wrist. Complete with wrist band. Top and side view.

Console P+C - C00030B

Miniature underwater console equipped with a Vale pressure gauge and a Frontal / side reading SL compass, with standard rubber or polyurethane H.P. Hose. Console cover in soft PVC. Available colour: black.

EC-CERTIFICATES ACCORDING TO STANDARD EN 250 : 2000

Test pressure gauge - M00100

Patented pressure gauge for tank pressure test. Monobloc case in chromium-plated brass. No magnetic, with spring band and instant exhaust valve. Cover in soft PVC. EC-CERTIFICATES ACCORDING TO STANDARD EN 250 : 2000

Console P+D - C00020

Miniature underwater console equipped of a Vale pressure-gauge and an analog depth gauge (diameter 50mm), with standard rubber or polyurethane H.P. Hose. Console cover in soft PVC. Colors available: black – Yellow. EC-CERTIFICATES ACCORDING TO STANDARD EN 250: 2000 - EN 13319: 2000

Console P+C+D - C00010

Miniature underwater console equipped of a Vale pressure-gauge / Depth gauge 70 meter / SL compass, with standard rubber or polyurethane H.P. Hose. Console cover in soft PVC. Colors available: black – yellow. EC-CERTIFICATES ACCORDING TO STANDARD EN 250: 2000 - EN 13319

#### Depth Gauge PD30 - P00134

An analog wrist miniature depth gauge with rubber strap and metallic case.

Diameter 55 mm with a 0 -30 metres parabolic scale, protection in soft PVC. Colour: black

#### Depth Gauge PD70 - P00130

An analog wrist miniature depth gauge with rubber strap and metallic case. Diameter 55 mm with a 0 -70 metres parabolic scale and maximum depth Pointer, protection in soft PVC. Colour: black. ACCORDING TO STANDARD EN 13319: 2000.

#### Pressure gauge - V00040

Patented underwater pressure gauge SPG with a monobloc brass case, no magnetic diameter 50 mm, with standard rubber or polyurethane H.P. Hose. Console cover in soft PVC. Available colours: black and yellow. Black quadrant and luminous numbers. EC-CERTIFICATES ACCORDING TO STANDARD EN 250 : 2000

#### Compass with Retractor – 5540 **NEW**

Compass with a sturdy rebounding retractor. Cord material: stainless steel. Cord length: approximately 60 cm long.

# Knife

## Dive knife 3006 - 3006

Sharp tip with serrated edge. Quick-release locking plastic sheath. High-grade rubber strap with quick-release buckle. Blade length: 14 cm. Blade material: 304 S.S. or Lightweight durable titanium, more abrasion resistant than stainless steel.

## Dive knife 3113 - 3113

Comfortable, molded handle. Serrated edge and line cutter. Quick-release locking plastic sheath and highquality rubber strap with quick-release buckle. Blade length: 13.8 cm. Overall length: 26.8 cm. 3113 blade material: 304 S.S. 3113T blade material: Titanium.

## Dive knife 3007 - 3007-K

Packed in a gift box. Sharp tip with serrated edge and line cutter. Quick-release locking plastic sheath for weight belt, BC strap and BC pocket mounting. Blade length: 8 cm. Blade material: 304 S.S.

## Dive knife 3002 - 3002-K

Stream-lined design. Comfortable, moulded handle. Sharp cutting blade, saw edge and line cutter. Blade length: 13.8 cm. Blade material: 420 S.S.

## Impeachment 11 - 50173

Knife included sheath and straps with quick release buckles. Very safe lock on knife. Blade 11 cm.

## Shadow 11 - 50179

Knife included sheath and straps with quick release buckles. Very safe lock on knife. Blade 11 cm.

## Shadow 9 - 50178

Knife included sheath and straps with quick release buckles. Very safe lock on knife. Blade 9 cm.

### PETIT TITANIO - SBCUKN81T **NEW**

Small knife, Titanium blade with smooth edge, saw and trimmer, more than enough for recreational diving. It includes different types of fastening devices.

### Z-CUT TITANIUM 17CM - TEKCU0101BC302WSCK **NEW**

Knife made with the best titanium alloy  $\alpha + \beta$ , ultralight and high strength. Very ergonomic, safety case. Serrated edge and wire cutters.

# Light

Flash light LED - AL-73-G

Bright flashing LED light. Automatically turns on in water. Light head size: Diameter 2.54 cm x 4.3 cm. Depth rating: Approx. 60 m. Life duration: Approx. 300 hours.

LED flash light - AL-03-G

LED flash light. Light is manually activated by twisting. Power: 0.5 W. Battery: 1 x AA. 120 hours.

HYDOR 1800 LM TECH - TKIL0101HYDORHHTDS **NEW**

1 LED 1800 Lm with 6° to 6500K. Aluminum body and adjustable goodman handle. 200 meters deep Autonomy from 2 to 6 hours. On by push button with color warning of battery status. 3 powers and strobo. Lithium Ion rechargeable battery. 3 models

LED Flash Light - AL-14 **NEW**

High intensity. The best choice for signal purpose. Notable to draw attentions. One of the essential tools while diving to avoid accident of missing. Easily attachable to BCD with plastic hook. Housing: Plastic. Battery: 2 x Alkaline AA-cell. Bulb: LED. Burn time: 100 hours. Length: 16 cm. Waterproof: 60 m. Magnetic switch.

V10 LED 860 - SBLIDBL **NEW**

The favorite of divers for their size and power. LED: CREE XM-L U2 (Max 860 lumens). Color temperature: 6500k. Light time max. 90min. Angle of the beam of light: 16 °. Color: Black / Red / Blue. Battery: 1X18650. Prof: - 100m. Aluminum body. Measures: 28mm X 132mm weight: 138 grams (with batteries). It includes battery and charger.

Flash Light - AL-72A **NEW**

Bright flashing LED light. Automatically turns on in water. Life duration: Approx. 500 hours. Diameter: 1.8/1.0 cm. Depth rating: Approx. 60 m. Length: 8.8 cm

#### AKKIN 2400 - SBLIDX24VFOC **NEW**

Focus for photographic and video focus, with a homogeneous light and smoothing of 110 degrees of coverage, without dark areas and with a power light of maximum 2400 lumens. Two intensity levels of white light and one of red light. The red light is indispensable in photography nocturnal to approach animals like shrimp, shrimp and other Crustaceans, which do not detect that color and are not frightened. With system YS to hook it to the flexible arms without the need for a support.

#### DZENOT - TKIL0101MU **NEW**

Type: Flashlight Backup. Power 700 Lm. Angle: 10 degrees Autonomy: 90 minutes LED: XM-L Battery: 1 unit 18650 Lion or 3 AAA batteries. Dimensions: 133 mm x 34 mm. White light 2 modes, 100% and Strobe. Push button button with battery warning by colors. Charger and battery included.

#### AKKIN 3500 - SBLIDX35VFOC **NEW**

Focus for underwater image, for photography and video, power in light white completely homogeneous and smoothed with 110° coverage light of 3500 lumens at maximum power. Battery indicator by color code, provides maximum power autonomy 90 minutes Red light is indispensable in night photography for approach the great variety of small fauna and flora such as shrimp, shrimp and other crustaceans, which do not detect that color and do not frighten Seeing the light With YS system to hook it to the arms flexible without the need for a support.

#### MARU - TKIL0101UM **NEW**

Led spotlight of great power (new version of 1200 lm) and small size that presents a 10 degree beam angle and is powered by a 18650 Lithium battery. Light White with 6 operating modes: High (100%) / Medium (50%) / Low (25%) / Strobe (Freq 1 Hz) / Explosive Flash (Freq 8Hz) / SOS. Detection and protection against high temperature. Battery energy detection: when the power is low, the circuit Control automatically reduces brightness by 10%. Battery charge indicator: Blue (High) / Green (Medium) / Red (Low) / Flashing red (Low power protection).

# Mask

## Accent – MG21 **NEW**

Single lens frameless mask. Low volumen. Perfect fit for adult and junior. Crystal clear and black silicone. Super soft silicone for best comfort. Stylish pseudo-frame. Silicone skirt and strap. Direct connect easy release buckles located on skirt for compact storage. Easy changeable frame in 5 different colors. Can be used with SeaPro Stretch and Quick strap.

## Black Revo - ME60BKREVO

All black single lens. Yellow mirror lens: Added optical contrast, making objects easier to spot. Included mask box. Mirror lens not only provides a new and refreshing look at standard tempered glass lenses, but also enhances the functionality of the lenses themselves.

## Go mask - ME120022

All black 2 lenses low volumen mask. Included Go-Pro attachment. Included mask box.

## Free Dive - ME440022MR

Ultra extreme low volumen. Frameless double lenses. All black. Smoke mirror lens: Glare reduction at the surface of water. Included mask box. Mirror lens not only provides a new and refreshing look at standard tempered glass lenses, but also enhances the functionality of the lenses themselves.

## Hunter Ultra-Low – MC24

Apnea and U/V-hunter mask. Ultra low volumen.

## Junior mask – MB52

Single lens mask for kids. Silicone and tempered glass.

Nemo mask – ME15

Kid mask with double lens. Silicone mask skirt. Included mask box.

Optical – MB48

Double lens. Crystal clear silicone. Can be fitted with optical lenses from +1,75 to +2,75 and -1,5 to -5,0.

Shark View – MD84

Double lens. Crystal clear silicone. Included mask box.

Shark View – MG29 **NEW**

Double lens. Crystal clear silicone. Included mask box.

Tactical – MB69

Frameless single lens mask. Black silicone skirt. Tempered clear vision tempered glass. Heavy duty neck strap and buckles. Included mask box.

Ultra View – MB15

Frameless single lens mask. Extreme low volumen. Largest field of sight. Black silicone skirt. Tempered clear vision tempered glass. Optional Easy adjustable strap with special neck plate.

**Ultra View 2 – ME16**

Frameless single lens mask. Extreme low volumen. Large field of sight. Black or clear silicone skirt. Tempered clear vision tempered glass. Easy adjustable strap. Included masks box.

**Ultra View EZ – ME15EZ**

Frameless single lens mask. Extreme low volumen. Largest field of sight. Black silicone skirt. Tempered clear vision tempered glass. Optional Easy adjustable strap with special neck plate.

**Mini Ultra Low – MG94 NEW**

Mini Ultra Low mask in clear silicone. Ultra low volumen. Double lens. Can be used with SeaPro Stretch and Quick strap. Included mask box.

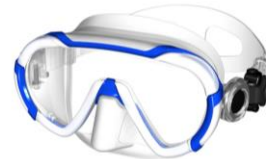

**Comfort – M-2203 NEW**

Ideal for wider faces. Hardened dual lenses offer a wide and clear view. Double-sealed silicone skirt blocks water and provides comfort. Push-button buckles allow easy adjustment and perfect fit.

**Kid Ultra Low - AFA-MC24 NEW**

Kid mask in clear silicone. Ultra low volumen. Double lens. Can be used with SeaPro Stretch and Quick strap. Included mask box.

**Accent Jr – MG93 NEW**

Single lens Junior frameless mask. Stylish pseudo-frame. Silicone skirt and strap. Direct connect easy release buckles located on skirt for compact storage. Can be used with SeaPro Stretch and Quick strap. Included mask box.

### Ultra View 3 – MG95 **NEW**

Frameless single lens mask. Extreme low volumen. Large field of sight. Black or clear silicoen skirt. Tempered clear vision tempered glass. Easy adjustable strap. Can be used with SeaPro Stretch and Quick strap. Included mask box.

### Full View – MF **NEW**

180 degrees panoramic view. UV 400 polycarbonate window for added safety. Purge valve for easy clearing water from mask. Anti-fog design. Separate chamber for exhale and exhaust. Quick release buckles and adjustable stretch textile strap.

# Regulator

## GULL Z TAC - TKRG0201GU **NEW**

1st stage machined from a chrome plated marine brass block with trivalent treatment, to increase its corrosion resistance. Pneumatic compensated membrane. DIN 300 or INT connector. Includes water kit as standard cold or contaminated and 5 LP outputs (low pressure), one of them at the top of the rotating turret. 2 HP outputs (high pressure). 2nd reversible stage for use on the right or left, is made of thermoplastic that They provide great robustness and durability. Compensated pneumatically. Venturi control to minimize continuous flow input. Dial for effort adjustment. It incorporates a heatsink at the entrance.

## GULL Z TEK - TKRG0201 **NEW**

1st stage machined from a chrome plated marine brass block with trivalent treatment, to increase its corrosion resistance. Pneumatic compensated membrane. DIN 300 or INT connector. Includes water kit as standard cold or contaminated and 5 LP outputs (low pressure), one of them at the top of the rotating turret. 2 HP outputs (high pressure). 2nd reversible stage for use on the right or left, is made of thermoplastic that They provide great robustness and durability. Compensated pneumatically. Venturi control to minimize continuous flow input. Dial for effort adjustment. It incorporates a heatsink at the entrance.

## TIFON X - SBRGTIFONX **NEW**

Tifon X regulator exceeds all existing quality and performance standards. Has been designed with every detail in mind to achieve maximum performance. Durability Exceptional is guaranteed by the quality of the materials used and the thorough process of manufacturing and quality control It consists of a first and a second stage connected by a low-pressure hose. It is available in standard version and can be modified to dive in cold water (up to 3 ° C). It also includes the padded regulator Subacqua bag, for transport and storage. First stage of overcompensated membrane. Operating Pressure with DIN system at 300 bar and INT system at 232 bar. Swivel turret with 4 outputs of low LP 3/8 "and body with 2 high HP 7/16 "outputs. It can be modified for use in cold waters or contaminated Available with stirrup connector (INT) and DIN. Second stage: compensated. With flow regulation dial and control lever Venturi to avoid continuous surface flow

### TIFON X PS - SBRGTIFONXP **NEW**

The Tifon PS Blue of Subacqua with its combination of simple piston and compensated second stage, makes it the recommended regulator for dive centers, sports divers, among Technical divers for their stage bottles and even for professional divers. First stage: Chrome brass machined brass. Simple piston mechanism Available in INT and DIN version DIN connection compatible with pressures up to 300 bar. HP 7/16" outputs: 1. LP 3/8" outputs: 4 Second stage: Mechanism of action compensated. Manufactured in thermoplastic of great durability. Control command Venturi to control free flow.

### OCTOPUS TIFON X - SBOCTTIFON **NEW**

The Octopus Tifon X of Subacqua is a second stage of high-end and performance of the series Tifon regulators in octopus version, with yellow hose 1 m in length, lighter than its predecessor and with a new yellow front cover for easy location and distinction. Durability is guaranteed because the best materials have been used in your building. As a second stage of high performance is pneumatically compensated and has inspiratory effort regulator and venturi control to minimize continuous flow.

# Set

More sets will be available during 2020.

## CORAL – 5005

Mask and snorkel set. Silicone and tempered glass. Bottom valve in snorkel. Silicone mouthpiece.

## CORFU Jr - 50056

Mask and snorkel set. Silicone and tempered glass. Bottom valve in snorkel. Silicone mouthpiece.

## FENIX Jr – 50058

Mask and snorkel set. Silicone and tempered glass. Bottom valve in snorkel. Silicone mouthpiece.

# Snorkel

Tekno – 63044

Dry snorkel. Top and bottom valve.  
Mouthpiece in silicone.

Pro Dry – SD24

Dry snorkel. For adult. Silicone mouthpiece with dump valve. Top valve. Flex tube part for maximum comfort.

Adult Dry – SE30

Dry snorkel. For adult. Silicone mouth piece with dump valve. Top valve. Flex tube part for maximum comfort.

Semi dry snorkel – SD19

Semi-dry snorkel for adult. Silicone mouthpiece with dump valve. Flex tube part for maximum comfort. Black splash top.

Comfort semi-dry – SC86

Semi-dry snorkel for adult. Silicone mouth piece with dump valve. Flex tube part for maximum comfort.

Shark Dry – SC06

Dry economy snorkel for adult. Silicone mouthpiece with dump valve. Dry top can be pulled of.

**Semi Dry Eco – SB72**  
 Semi-dry snorkel for adult. Silicone mouthpiece with dump valve. Splash top.

**Hunter snorkel – SB42**  
 All black snorkel. Silicone mouthpiece.

**Nemo snorkel – SA102**  
 Kid snorkel with wave splash protection. Silicone mouthpiece with valve.

**Comfort Semi-dry Clear – 1032-AS NEW**  
 Semi-dry top and quick-release snorkel holder. Clear silicone mouthpiece, clear silicone flex tube, clear tube. Metallic paint on dry top and bottom.

**Junior Dry – SB08S**  
 Junior Dry snorkel with top and bottom valve. Silicone mouthpiece. Whistle in mouthpiece for safety.

**Comfort Semi-dry Dark – 1033-LKS NEW**  
 Semi-dry top and quick-release snorkel holder. Black silicone mouthpiece, black silicone flex tube, black tube. Leather paint on dry top and bottom.

#### Junior Saeko snorkel - S-559

Junior snorkel with semi-dry top system. Simple and effective snorkel holder. Easy cleaning, large capacity drain chamber. This snorkel is lightweight and extremely comfortable for children. It maximizes air volume intake and exhaust valve. The semi-dry top also allows less water to enter the tube.

# Spear gun

SeaPro S – 98030

Ready to go. Fully rigged with line and bungee.

SeaPro P – G100

Ready to go. Fully rigged with line and bungee.

SeaPro XP – G103

Top of the line SeaPro gun. Rigged up with nylon line and bungee.

Tiger – 63030

Ready to go. Fully rigged with line and bungee. Barrel 2,8 cm and closed head. Rubber pair of 16 mm. With standard wishbone. Threated shaft of 7 mm.

Tiger – 6303

Ready to go. Fully rigged with line and bungee. Barrel 2,8 cm and closed head. Rubber pair of 16 mm. With standard wishbone. Threated shaft of 7 mm.

Ras – 6809 **NEW**

Tank: aluminum alloy cylinder with a 40 mm diameter. Butt: Light alloy muzzle with increased holes to optimize the discharge of water. Handle: ergonomic and functional form. Made in one material. Range of sizes from 30 cm to 70 cm. Comes with: steel spear, injector, harpoon, harpoon loader.

Ras Adj – 6808 **NEW**

Tank: aluminum alloy cylinder with a 40 mm diameter. Butt: Light alloy muzzle with increased holes to optimize the discharge of water. Handle: ergonomic and functional form. Made in one material. Range of sizes from 30 cm to 70 cm. Comes with: steel spear, injector, harpoon, harpoon loader. Regulator that allow halving the shooting power if necessary.

## Suit – Dry

### BLACK DRY - SBTRCAC110 **NEW**

The Dry suit is designed for all types of divers from sports to the most demanding professional divers. Made of 4mm neoprene with high density and flexibility that provides great comfort and excellent thermal insulation. Si-Tech low profile valves, metal watertight zip, cuff sleeves and neck in ultra-flexible neoprene, Neoprene hood with air vent system, large zip pocket, knee reinforcement, internal adjustable straps, boot with rigid sole and ankle adjustment strap. Includes: Filling hose, carrying bag that can be used as a mat for kitting up. Sizes: S - M - L - XL - 2XL.

## Suit – SemiDry

### 6.5 DEEP BLACK - TKVT0101ME **NEW**

Suit made with different thicknesses and a studied pattern. We have created a semi dry suit Ultra elastic, extremely warm and comfortable. The chest and back is 6.5 mm in neoprene thermal. The arms and legs have several thicknesses depending on the area. With thermo seams sealed and SupraTex neoprene (anti abrasion neoprene) in the areas of greatest friction, shoulders, elbows and rump. It includes a pocket on the right leg. Back zip with protection.

### IGLU 7.0 V2 - SBTRMCB **NEW**

The semi-dry Subacqua Iglu 7.0 evolves in its V2 version incorporating a great improvement in its interior with a new thermal fabric of last generation much more flexible, pleasant in contact with the skin and especially warmer. Iglu 7.0 V2 is manufactured entirely in 7mm stretch neoprene. Supratex reinforcements, on shoulders, this material does not limit the elasticity of the neoprene. Reinforcements in knees in elastic material. The Iglu 7.0 V2 is still the ideal choice for divers looking for a flexible suit but with great thermal protection to be able to dive throughout the year, even when lower the water temperature or in cold water areas. Man sizes: 2 - 3 - 4 - 5 - 6 – 7 Women sizes: 1 - 2 - 3 - 4 – 5.

## Suit – Under

SVALBARD - TKVT0301ZH **NEW**  
Thermal fabric with inner cells. Straps at the wrist and ankles. Unisex.

THERMODIVE - TKVT0401TH **NEW**  
Thermal fabric with inner cells. Straps on specially designed areas to easily put on the suit correct. Unisex.

## Suit – Wet

### BAIKAL 7.0 - SBBR3ENG01 **NEW**

Integral suit with built-in hood and front zip. Made of 7 mm flexible neoprene, outer nylon lining and curl of inner plush, skirt in smooth neoprene on the facial contour, ankles with zippers and knee reinforcement. Man sizes: 2 - 3 - 4 - 5 - 6 – 7.

### WUKA 7.0 - SBTRWUKA7M **NEW**

Made entirely in Stretch 7mm neoprene more flexible and light. The interior is combined with Helioflex panels, making the contact with the skin of the diver is extremely pleasant. Neck closure WSS (Water Stop System) Zipper in the area front of the neck Man sizes: 2 - 3 - 4 - 5 - 6 – 7 Women sizes: 1 - 2 - 3 – 4

### BYLOT - TKVT0603BY **NEW**

Mono integral piece of ultra-elastic neoprene of 7 mm. Black color. Protected back zip. Seams thermo sealed, which makes it more waterproof and durable. Neoprene thermal chest and back. Includes Supra Tex reinforcements (anti neoprene abrasion) on shoulders, elbows and rump. Rubber reinforcement on knees. Right leg pocket. Small neck zip for relief of diver. Suit used by many military, police and rescue for its great comfort and robustness.

### BAIKAL 5.0 - SBBRMHBAIK **NEW**

Integral suit with built-in hood and front zip. Made of 5mm flexible neoprene, outer nylon lining and curl of inner plush, skirt in smooth neoprene on the facial contour, ankles with zippers and knee reinforcement. Man sizes: 2 - 3 - 4 - 5 - 6 – 7 Women sizes: 1 - 2 - 3 - 4 – 5.

**ATLAS 5.0 - SBTR3CMB01 NEW**

Made entirely in Stretch 5mm neoprene more flexible and lighter. The interior is combined with Helioflex panels, making the contact with the skin of the diver is extremely pleasant. Neck closure WSS (Water Stop System) Zipper in the area front of the neck Man sizes: 2 - 3 - 4 - 5 - 6 - 7 Women sizes: 1 - 2 - 3 - 4.

**KUZE - TKVT06012K NEW**

Mono integral piece of ultra-elastic neoprene of 3 mm. Black color. Protected back zip. Seams thermo sealed, which makes it more waterproof and durable. Neoprene thermal chest and back. Includes Supra Tex reinforcements (anti neoprene abrasion) on shoulders, elbows and rump. Rubber reinforcement on knees. Right leg pocket. Small neck zip for relief of diver. Suit used by many military, police and rescue for its great comfort and robustness.

**ABADON - TKVT06012C NEW**

Mono integral piece of ultra-elastic neoprene of 5 mm. Black color. Protected back zip. Seams thermo sealed, which makes it more waterproof and durable. Neoprene thermal chest and back. Includes Supra Tex reinforcements (anti neoprene abrasion) on shoulders, elbows and rump. Rubber reinforcement on knees. Right leg pocket. Small neck zip for relief of diver. Suit used by many military, police and rescue for its great comfort and robustness.

**PALAU 3 MM - SBTR1HLU01 NEW**

Costumes designed for adventure sports (canyoning, rafting etc ...). Made in 5mm neoprene with inner and outer nylon lining. Jacket with full zip and hood built in. With rubber reinforcement in the seat area and elbows. Bib pants with rubber reinforcements in seat area and knees. Mono reinforcements, seat area, elbows and knees. Man sizes: 2 - 3 - 4 - 5 - 6 - 7 Women sizes: 2 - 3 - 4 - 5 Child size: -1 - 0 - 1.

### ARUBA 0.5MM - SBTRMONLY1 **NEW**

0,5 mm. neoprene wetsuit with lycra lining, zip back and knee reinforcement.

Recommended for tropical waters or as an underwear for wet suits. Man sizes: S - M - L - XL - XXL Women sizes: XS - S - M - L.

## Suit – Shortie

### FIJI 3 MM - SBTR1HNC01 **NEW**

Costumes designed for adventure sports (canyoning, rafting etc ...). Made of 5mm neoprene with lining inner and outer nylon. Jacket with integral zip and built-in hood. With rubber reinforcement in the seat area and elbows. Bib pants with rubber reinforcements on the seat area and knees. Monkey with reinforcements, seat area, elbows and knees. Man sizes: 2 - 3 - 4 - 5 - 6 - 7 Women sizes: 1 - 2 - 3 - 4 - 5 Child size: -1 - 0 - 1.

## Weights and belts

Back vest – 62719

Weight neoprene vest in nylon black, with 6 compartments.

BELT INOX - SBZI01 **NEW**

Nylon belt with stainless steel buckle with pressure clamping system.

Coated weight – 800-200

Softlead – 801-202

Ankle lead – 6807 **NEW**

Pair of ankle weights with double velcro closure.
