

SEAPRO

5 Star equipment

Life comes from water
Equipment comes from AquaFun

SeaPro equipment registered brand since 1997.

SeaPro is manufactured for and distributed by AquaFun AB.

AquaFun would be proud to be your preferred supplier of equipment for use in and around water. We cover an excessively big part of the products requested by the diving and sports industry, because we focus on SCUBA, snorkel, and underwater light equipment.

A strong line-up of selected products from some of the best and most quality oriented suppliers worldwide represents more than 2000 different articles in stock in our warehouse in Malmö. This means we can deliver from day to day and provide options for express and reservation orders.

AquaFun AB only distributes to agreed registered B2B partners.

”Customer satisfaction through communication and prompt accurate deliveries”
